Call for Applications

Consultant to review MoodleCloud online learning platform (navigation, technical issues, etc.)

Application Deadline: **31 January 2023**
Location: Home-based / Remote
Language required: English

We encourage applications from trans, gender diverse and intersex people, Black, indigenous and Latinx people and people of color, D/deaf and disabled people, people from a migrant background, and sex workers.

Background

GATE eLearning Institute provides open-access courses designed to provide capacity-building training for trans, gender diverse and intersex organizations across the globe. The aim of this platform is to increase the capacity of trans, gender diverse and intersex organizations and activists to effectively engage in organizational development and movement building.

Objectives

GATE is seeking a consultant with experience and expertise in running a Moodle Cloud platform to test the platform courses from a perspective of ensuring that the eLearning service is working effectively.

NOTE: This is <u>NOT</u> an academic review of the course content, but rather a test of the platform itself, from a navigational and course completion perspective.

Scope of Work

The consultant will be required to do the following:

- Test the eLearning platform from the perspective of a student participant, including all 6 trainings, to ensure that it works effectively
- Note any issues and present a brief report of those issues, along with proposed solutions to GATE Communications Manager
- Fix any technical or other issues regarding navigation of the MoodleCloud platform and online courses as agreed with GATE Communications Manager
- Propose a simple structure to be applied to future training to streamline platform content

Essential Requirements

- Experience with setting up and/or running a MoodleCloud online learning platform, and fixing technical issues
- Experience reviewing online eLearning platforms for navigational and implementation effectiveness

Selection Process

GATE will select the consultant based on proposals from interested applicants. Submit the following to the email listed below with the suggested subject line by 31 January 2023:

Email: to: applications@gate.ngo

Subject line: Surname – MoodleCloud Consultant (e.g. Aziz – MoodleCloud Consultant)

- **Cover letter, including project proposal and expected remuneration**
- **Curriculum Vitae, including name and contact details of two references**
